

EUROPEAN  
U R B A N  
I N I T I A T I V E

A vibrant, stylized illustration of a city skyline. It features various buildings in shades of blue, yellow, and orange, a large yellow sun, a blue bridge over a river, and green trees. In the foreground, silhouettes of people are shown walking and riding a bicycle on a path. The overall style is flat and modern.

# **URBACT IV Capacity-Building**

# URBACT's Capacity-Building

Capacity-Building is a **central** & **transversal** strand of URBACT activities, working in complementarity with **Networking** and **Knowledge**

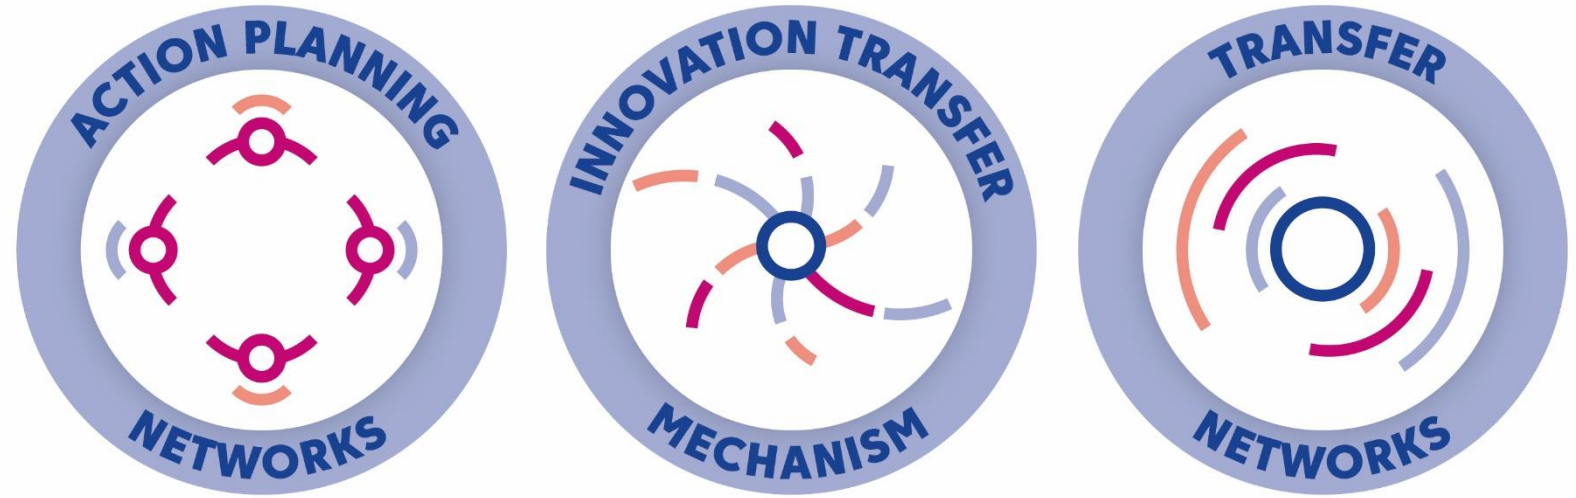

→ **Objective**

Improve the capacities of urban stakeholders to **design** & **implement** SUD policies, practices and innovations in an **integrated**, **participative** and **place-based** way

→ **Audience**

All **urban players** from **EU 27 Member States**, **Norway** and **Switzerland** as well as **IPA countries**

→ **3 types of networks**

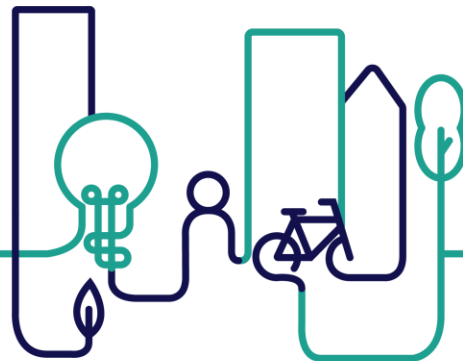

# Capacity-Building Activities

Large transnational capacity-building events providing URBACT beneficiaries with **tools** and **methods** to develop **integrated** and **participatory** approaches for the **design** and **implementation** of **urban policies**.

National or macro-regional training events, in **national language**, for **local beneficiaries**. Organised with the support of **National URBACT Points**.

**Repository** of all Capacity Building material developed. **Tools, guidance, online courses, infographics & animations** made available in digital format
