

CITIES

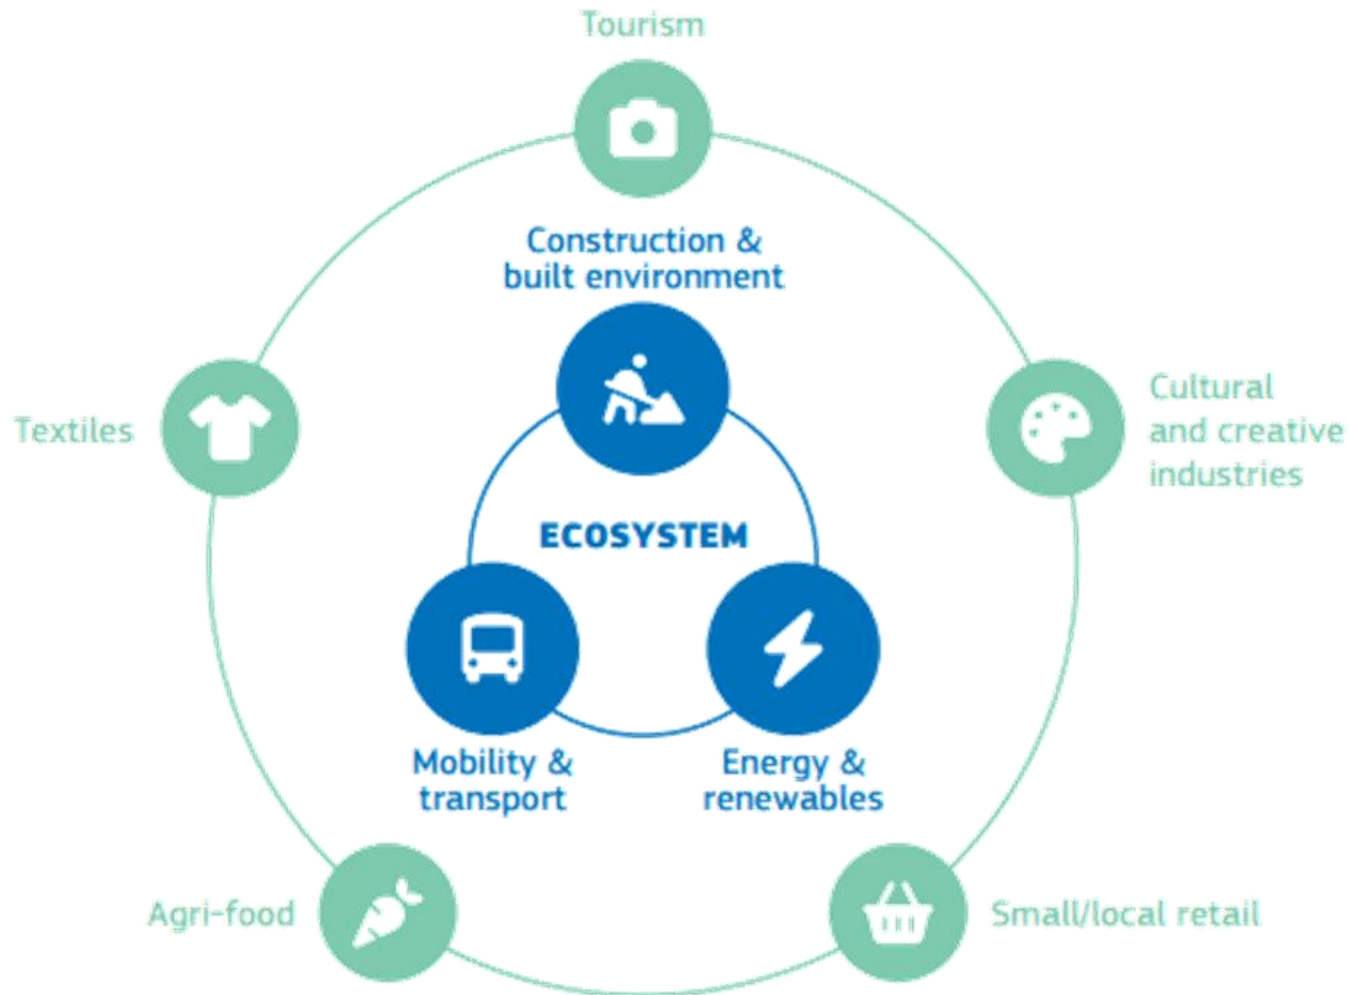

**FORUM
2023**

TORINO, 16-17 MARCH

TOGETHER FOR GREEN AND JUST CITIES

Intelligent Cities Challenge (ICC):

*Driving the twin green and digital transition with **Local Green Deals***

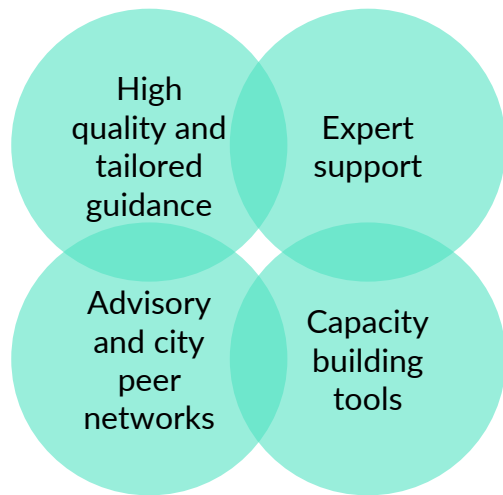

Intelligent Cities will:

- Develop **Local Green Deals**: integrated, multilevel, cross-sectoral action plans and mutual agreements between local governments, local businesses and civil society.
- Receive **high quality and tailored advisory**
- Gain access to **capacity building tools** and best practices
- Become valorised members of the **ICC city network** and learn from peers and mentor cities

Intelligent Cities Challenge (ICC): *Call for Expression of Interest for cities is open!!*
